About the Author: Philip Reed is a professional model maker whose work is found throughout Europe and North America and includes restoration projects for leading galleries and museums. Period Ship Modelling: An Illustrated Masterclass - AbeBooks - Period Ship Modelmaking, An Illustrated Masterclass by Philip Reed, Published 2007, ISBN978-1-59114-675-9. Philip Reed teaches his modeling techniques by taking the reader through the scratchbuilding of two 1:192 scale models of Prince de Neufchatel: a full hull model, and a waterline model. Though the scale used is considered a miniature by most ship modelers, many of the techniques are adaptable to larger scales.
